There's a few day's left until the most longed-for day... there's still time.

Time for presents and small surprises...

...that grows big if you wish with all your power.

Come on, Nicholas! Let Santa decide!

Time to wait for something still to come.

What if he doesn't like it!

Time to see dreams come true...

I'm sorry I'm late! I've got a Christ-mas present for you!

...or wish for it to come true!

Please-please-please!

MC217

...and believe that it will work!

Say that we'll make it!

Calm down, Hay Lin! Even if I'm soon having a nervous breakdown...

We're all tired, except for one...

Thanks to you I'll be the best stage designer in the world! Kidding aside, I'm sure it'll be just fine, because we've given it our all!

What's the big deal about pasting a few flowers?

A few? Try 300!

MC217

Yeah, Hay Lin! All of it!

Our performance brings a wonderful year to an end...

And opens up a great year...

...filled with news and good intentions!

Speaking of good intentions...

Are you talking about stuff like eating up Hale's ration of crackers for the entire year of 2005?

Mmph... dont you get it? I need much energy to keep everyone in a good mood!

Oh! What kind of an excuse was that?

You can't always count on Miss Gloomy's contagious happiness!

Provocations won't work, Irma!

These wishing crackers are delicious! "One wish granted for each eaten cracker" it's said!

I have a lot of wishes to grant!

Give me one! Or else they'll run out before I'll have time to make a wish!

Does it count with wishes for, like.. tomorrow?

munch! Sure! Just say: "Enchanted cracker, bewitched audience, successful farce!"

If you go on like that your crumbs will be the biggest farce!

Nonsense... like I wouldn't have done anything!

What are you looking at? I was just doing some fast-cleaning...

WOOOOSH

Aaargh! Stop joking around! We have to fix the finale!

Grunt... it seems so hard! But we've been through worse! You think everything will be all right if I promise to be a niceandsweetandgood girl for the entire 2005?

MC217

MC217

Making a promise is easy! And since we've got a dishwasher, I can make one too!

Why, I can promise that If everything goes well... I won't make fun of Cornelia in front of the mirror anymore...

Umph.. how honoring!

Grrr... I'm gonna...

...at least not for three hours!

HAHAHA-AAHAAA

Cut it out! It's late and we must be in good form tomorrow!

Yeah, Corny... you're wasting time as usual!

sigh... how am I able to stand her?

He! He!

Grunt! This team lacks some humor!

Yours is enough! We have got to show Hay Lin that she can count on us!

I'm so glad that I've chosen you as helpers and discovered your artistic talent!

Mine was hidden well, so the principal won't believe her eyes!

MC217

100 flowers later...

Oh, I'm so sleepy!

Why, hay-hey! First of all you can have some rest now...

And then what?

For the stage design we used water colors...

...so if you need a last effort I'm right here!

Thank you, Irma! But I don't think it's needed!

By the way, we can't use magic for that!

Ah, then it's all right!

Grunt! You're being such a pain! Everything would be much easier with our powers!

Take the carnival for example...

mooncloud217

Everyone loves it except for you, who don't want to hide your beauty with make-up! Then we could dress up as we liked and still be noticeable!

Wouldn't that be great!

Yeah, it sure would be great to be able to transform whenever you'd like!

And to feel more free without being noticed!

Will, since you're the leader you can ask the oracle to change the rules...

Will? Are you listening? Are you with us?

Will... is there a problem?

What is it? You've been keeping a distance all day!

Huh?

Your silence isn't due to the date last night, is it?

Oh, no! It's got nothing to do with Matt!

Everything went really well! Matt took me to Lodelyday without forgetting his wallet! *

* You remember what happened in Witch #16?

"...everything was perfect! He gave me a Christmas present too! I'll never forget that night!"

mooncloud217

mooncloud217

A Christmas present? Show us!

Take it easy!

Okay!

Wow!

Nice, huh?

Trendy and pretty! Exactly your style! Matt's really skilled!

Your partner has made some progress!

Ahum... yes! everything was perfect!

He! He!

The guitarist in The Cobalt Blue sure is romantic!

I know someone who's just playing tough...

Then he walked me home!

What if he took me to Lodelyday... he never does!

A walk in the park would be enough...

...hand in hand...

...and look into each others' eyes!

mooncloud217

mooncloud217

What if it could happen...

Ha! Ha! Looks like our practical little Corny is daydreaming!

Irma!!! Before you'll start fighting I want to say something...

He! He!

Oh, Peter, king of the waves, take me to the sea... but be aware... I'm not very good at swimming!

Listen to her! Miss sports queen!

At least I can handle water!

Ahum... I was about to say something!

We're sorry, Tara! We're listening! Only something exciting can interrupt our idyll!

Ahum... well... I'll take part in the performance!

Well that's big news! Why, we're all helping the director and stage designer!

Irma... let her speak!

It's because I was going to the rehearsals! I'll dance the rose dance during the May scene!

Ahum... it was going to be a surprise, but you'll see it tomorrow anyway! Remember that I've gone away some times and said that I have to go home?

WHAT?

You can dance?

yes... no... not too good...

mooncloud217

...I got selected!

Huh? Aren't you going to say something?

!

!

Of course! Spacious!

Wow! We'll see you dance!

I can't believe how you could keep it a secret!

Cunning as usual! Didn't you want to tell us?

I didn't want to make you nervous too!

mooncloud217

We're not nervous... just happy!

How could you keep this a secret from me as a director?

I can't wait to give you a big round of applauds!

Now you know! Let's not talk more about it, I'm just getting nervous...

Don't get mad, Hay Lin! Just the thought of telling it made me scared!

I'm sure you'll be an amazing dancer!

And pretty too!

DRIIIN DRIIINN

...we'll wait for tomorrow!

Both of us must make it!

uh-oh... vice-mother is calling!

DRIIIN DRIIIN

Certainly! Everything's in order from this pap... oh...

Take-it-easy... yes, I'm helping Mrs. Cook... I won't spread anymore stuff around me...

DRIIIN

Hi mom! Is everything OK?

Will's backpack is an ocean! And I thought I was the sloppy one!

You are sloppy, Irma!

I know... urgh... queen of order!

Yes... five o'clock!

Oh, it's beautiful!

Yes... we'll go to bed early, I promise! Mom... I gotta go now!

Wow!

...I'm glad she's kept it!

It's the drawing I made for her ages ago!

I said, give it back!

I...

GIVE IT BACK!

Don't do this, Will! You're thinking about him today right? The drawing is beautiful! Of course you're sad!

You're still suffering! I know what it means to miss someone you love, but...

I know... It's not that!

I accidentally found the drawing among the school books... so much has happened, that I haven't been thinking enough about my Doormouse!

MC217

I've been pretending as if nothing happened... sometimes I'd like to use my powers to get him back to life...

That's not what I meant about using our powers...

It's the way of life, Will! It's not your fault! We know how hard it was for you...

...and how much you've been thinking about it! But the pain will pass and turn into a beautiful memory!

Oh! Oh!

Speaking of pain! This is torture!

You've been exaggerating as usual!

Now maybe you'll think twice before eating all of my mother's wishing crackers again!

Sigh... bearing your efforts in mind I surely hope that it'll do some good for the new year!

Wow! That news cured my stomach!

Now we're worthy of a vacation together!

Speaking of effort... I have some good news...

Ta-dah! The director declares this work finished!

Yeah! Because it didn't went that great the first and only time we had one week of vacation together!

Great? You're welcome to say that vacation was a nightmare! This time I hope...

mooncloud217

I'm sure we'll end up on all the placards!

HA HA HA

KNOCK KNOCK

HA HA HA

DING DING

Yes, mother?

Time for bed, Cornelia!

...and I've promised your mothers that it wouldn't be too late!

Okay! we'll turn out the lights now!

That's right! Tomorrow... help!

Oh, no! She's beginning to panic again!

We have to do something!

Ahum... wow! Hay Lin, did I tell you that this side-scene is the best?

...you met Eric that month?

HA HA HA

It wasn't a joke! This is serious!

You think? It's my favorite! The one for August!

But why August? Could it possibly be because...

But if you want to laugh, all you need to think about is Eric... wearing bathing-trunks!

mooncloud217

Irma, your fantasy is kinda naughty!

It's not nice to make fun of our friends!

HA HA HA

But it's fun! Especially because I say what you think but are too afraid to say!

Actually you're right!

HA HA HA

Girls! It's late! You want to look tired and out of sorts tomorrow?

KNOCK KNOCK

OKAAAY! We'll turn off the lights in five minutes!

All right Corny! We better behave! Your mother is right!

"It's time for bed!"

Sleep now, Corny, or else you'll get terrible bags as big as globefishes under your eyes tomorrow!

Help... help...

Watch it, you nasty piece of scale! Or else the shark will swallow you!

Help! I don't want it to be morning!

mooncloud217

mooncloud217

DRIII

MoonCloud217

"Finally that longed-for moment comes!"

I'm next! What was it that Irma said?

Something about crackers... audience...

Give it all you've got, Tara! Show them who you are!

Okay... your turn...

"...good luck!"

Breathe... breathe!

Show the fire you've got inside and bewitch them, Taranee!

Magnificent, Taranee!

Wow!

It was electric!

Tara! You were awesome!

Fantastic! Like a dragonfly on stage!

I think it was fun, wasn't it?

Fun? Brilliant! You were fabulous!

Ahum...

Did you see that? She was really great! Too bad my mom missed it!

Okay, so her daughter wasn't in the actual performance...

...but I'd liked her to see the result of our work! It's all her damn job's fault!

I'm sorry...

mooncloud217

MOONCLOUD217

Let's not wait for her out here any longer!

Thanks, Matt! But oh, it's so unfair!

Oh, here's our little turtle doves!

MC217

Why the long face, Will? You have to smile to the audience!

All of us have to get on stage for the finale!

Will!

Will... I'm sorry! I know I'm late...

...the performance is over... but it happened so sudden...

What?

Is there a problem, Mrs. Vandom?

I was driving Dean to the airport and...

...suddenly a shadow appeared on the road! I stepped on the breaks and...

...we found him!

Here's our new friend!

Mom...

Oh, a dog!

Oh, how cute!

Clever, Corny! You thought it was a tiger?

We've decided to have him living with Dean who's got more time to take care of him...

...but you'll name the puppy, because he'll stay with us for the holidays!

Mom... are you serious?

I'm totally numb...

I thought there was time for a new little animal at home...

Just what she needed!

Girls!

Thank you, mom!

Come on! We have to go in! The audience is calling!

...we found him!

Here's our new friend!

You stay here, Tiger!

How cute!

Thank you, mom!

Now go!

Quickly... quickly!

We're coming!

Will...

Are you feeling any better now?

Yes, Cornelia! In Christmas, wishes come true...

...even the ones that you don't dare to express!

"Come on! They're waiting for us!"

Here's the performance's main characters!
